Vision

To be globally significant in each of our chosen businesses by 2025

Mission

To be the most reliable global network for customers and suppliers, that delivers value through products and services. To be a responsible value creator for all our stakeholders.

Maintaining Our Values

Pioneering

We will be bold and agile, courageously taking on challenges, using deep customer insight to develop innovative solutions.

Integrity

We will be fair, honest, transparent and ethical in our conduct; everything we do must stand the test of public scrutiny.

Excellence

We will be passionate about achieving the highest standards of quality, always promoting meritocracy.

Unity

We will invest in our people and partners, enable continuous learning, and build caring and collaborative relationships based on trust and mutual respect.

Responsibility

We will integrate environmental and social principles in our businesses, ensuring that what comes from the people goes back to the people many times over.
